SEALED INK CUP 90 Q

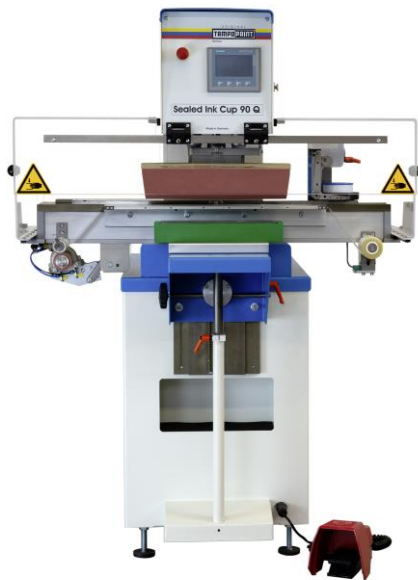

SEALED INK CUP 90 Q

SEALED INK CUP 90 Q

Product features:

- Drive: electropneumatic
- print image size: max. diameter 85 mm
- Touch display 4"
- Tampon stroke adjustable over cliché and printing material
- Interface for integration: 37-pin plug at the rear of the machine
- Supply voltage:
 - 230 V / 1 / N / PE, 50 Hz
 - Air connection: 6 bar

SEALED INK CUP 90 Q

Scope of delivery

- + Ink / doctoring cup Ø 90 mm NE (Art.-No.:090246)
- + thrust ring 6-point suspension 30° (Art.-No.:090079)
- + Tampon coupling (Art.-No.:520083)
- + foot switch complete (Art.-No.:291426)
- + Gripping tonge 5 closed systems Ø 90 mm (Art.-No.: 090073)
- + assembly table Ø 90 mm closed systems (Art.-No.: 090201)
- + tools
- + Spare parts list, documentation (electrical plans and pneumatic plans)

SEALED INK CUP 90 Q

Foot switch for operating the printing machine,
included in delivery

- Stability and safe positioning of the printing machine
- Storage compartment in the base unit
- Cable ducts and the foot switch plug

Included in delivery

SEALED INK CUP 90 Q

The residual ink pick-up system serves to clean the printing pad. This increases the productivity of the printing machine and ensures a consistently high print quality.

Art.-No.: 206013

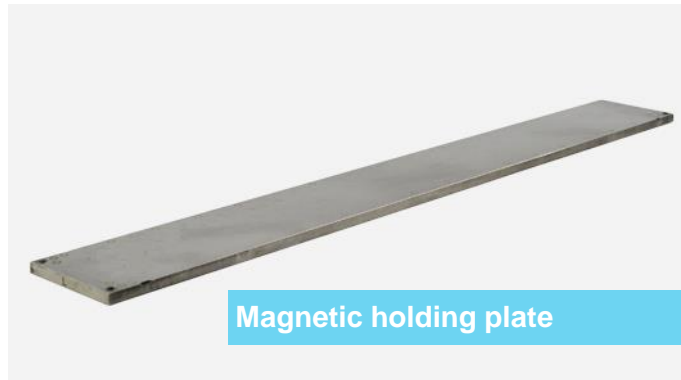

SEALED INK CUP 90 Q

Cliché for ink/doctoring cup Ø 90 mm

Magnetic holding plate for the attachment of
Clichés (Magnet-Eco, Magnet-Aqua, Magnet-
screen, Magnetic-Aloxid, Aloxid-Special)

100 x 600 mm and 100 x 800 mm

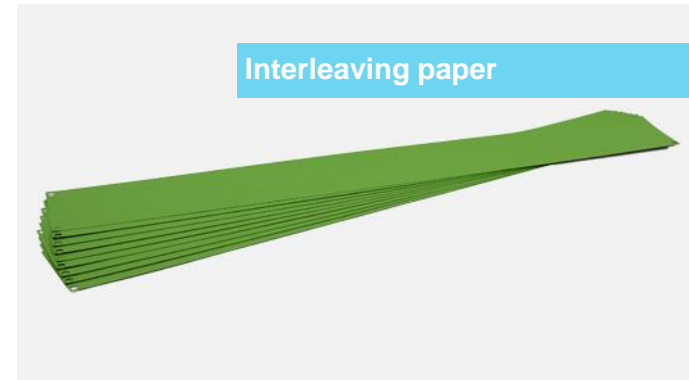

Art.-No.:143442 + 143441

Interleaving paper protects the cliché from
negative influence of dust or paint residues

100 x 600 mm and 100 x 800 mm

Art.-No.:143434 + 143433

SEALED INK CUP 90 Q

Ink/doctoring cup Ø 90 mm

SEALED INK CUP 90 Q

Cliché for ink/doctoring cup Ø 60 mm

Magnetic holding plate for the attachment of
Clichés (Magnet-Eco, Magnet-Aqua, Magnet-
screen, Magnetic-Aloxid, Aloxid-Special)

70 x 510 mm und 70 x 710 mm

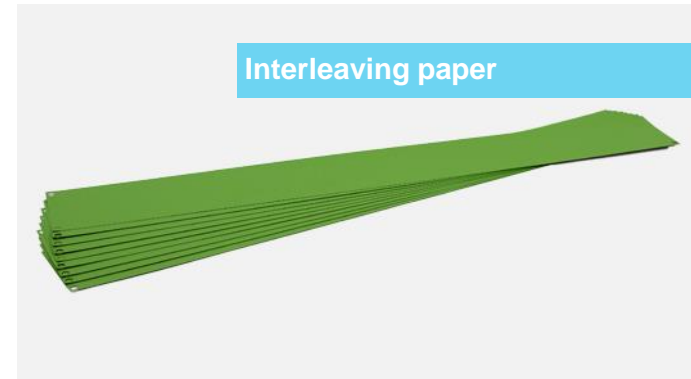

Art.-No.:144287 + 144288

Interleaving paper protects the cliché from
negative influence of dust or paint residues

70 x 510 mm und 70 x 710 mm

Art.-No.:143431 + 143430

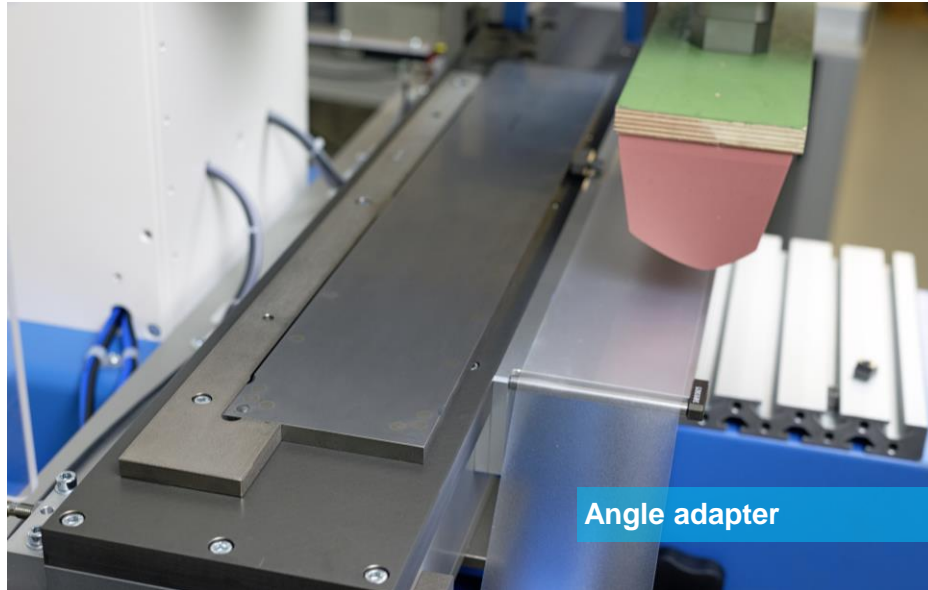

SEALED INK CUP 90 Q

Ink/doctoring cup Ø 60 mm

SEALED INK CUP 90 Q

Angle adapter

A conversion kit for the reduction to 600 x 100 mm cliché

Further conversion kit to Ink/doctoring cup 60 mm diameter is available.

Art.-No.:200131
